

PONDICHERRY ENGINEERING COLLEGE
PUDUCHERRY - 605014
CIRCULAR

No : PEC/UBA/2021/

Date : 11.2.2021

Pondicherry Engineering College aims to support rural women in enriching their survival skills under AICTE-UBA scheme. In this regard, a video and booklet (in Tamil) on the following topics are welcome from the UG and PG students of all Engineering Colleges in Union Territory of Puducherry.

- Cyber crimes and women related threats in social media and remedies
- Effective and safe usage of LPG
- Effective and safe use of electrical appliances and thereby reducing the electricity bill
- Water Conservation - Significance and Implementation

This is an opportunity for the students to have a strong connection with the rural public. The group size should not be more than three. The best video & its booklet will be awarded with prize money of Rs.5000/- (for each topic). As a prelude, a one page concept paper on the afore-mentioned topic may be mailed to uba@pec.edu (by mentioning the subject as "UBA video") or gaja@pec.edu. The last date for submission of the concept paper is on or before 26.2.2021.
