

## PONDICHERRY ENGINEERING COLLEGE PUDUCHERRY

No. PEC/Registrar/Cir/2021/

Dt.07.01.2021

### CIRCULAR

With reference to the revised academic calendar dt. 5.1.2021, the following instructions are issued.

Six days schedule per week will be followed from 07.01.2021.

Even semester Classes for B.Tech final and third year shall commence in offline mode from 08.02.2021 and for B.Tech second year from 22.02.2021. Each section/class is divided into two batches and the two batches are scheduled in alternate days. When one batch is attending, the students belong to the other batch shall not enter the premises of the college and they need to attend classes online/learn from video lectures of the class.

The college will ply the buses from 08.02.2021. A separate circular regarding the timing and transport fees will be issued later.

The hostel with mess facility will be opened from 25.01.2021. The fourteen days' quarantine period is to be adhered to by the hostellers from the date of reporting to the hostels. The hostellers, who want to attend the classes from the commencement date of the classes, are instructed to report to the hostel as given here. The B.Tech third and fourth year students are asked to report to the hostel on 25.01.2021 and B.Tech Second year students to report to the hostel on 08.02.2021. The B.Tech second year students are not permitted to come to the hostel on or before 07.02.2021. During the quarantine period, the hostellers strictly need to be in isolation and strictly adhere to the staggered mess timing. During the quarantine period the students are not permitted to attend the classes in the college. The hostellers are instructed to pay Rs 25,000/- towards boarding and lodging expenses for the current academic year through IIS portal. They are instructed to pay the hostel fees before they report to hostel. The hostellers are not permitted to go out of the campus, hence they are instructed to bring the necessary required materials when they report to the hostel.

The hostellers are instructed to produce COVID 19 negative test report dated two days prior to reporting to the hostel, without which, they will not permitted to enter the hostel premises.
