

INSTRUCTIONS TO CANDIDATES APPEARING FOR BTECH ARREARS EXAMINATIONS (PHASE-II)- NOV. 2020

10/11/2020

The following are the instructions to the candidates who are taking up the ensuing Phase-II BTech arrear examinations:

A. EXAM CONDUCTION:

1. The Phase-II arrear examinations for BTech will be held in **online mode** between **23rd November – 17th December 2020** through **Google Classroom** only. The **Exam schedule is available in college website (www.pec.edu)**.
2. You are hereby informed to periodically look for regular updates in our college website.
 - College Website has published instructions to candidates along with examinations schedule.
 - Subject-wise Google classroom invite will also be sent by the concerned faculty to every individual candidate well in advance to the date of respective exams.
 - You may also share the conduct of Phase II arrear exams with your peers having arrears, if any.
3. The **examinations scheduled / completed in Phase II will not be conducted again in this semester for any reasons** and henceforth all arrear candidates are instructed to join google classroom at the earliest and stick on to the published timetable. **Candidates should join only the respective google classroom(s) of the subject(s) for which they registered.**
4. Enough care had been taken while preparing the Exam Schedule so as to avoid clash of more than one subject on a particular date and session. However, the candidates are instructed to refer to the schedule published in the website and **inform subject clashes, if any as early as possible.**
5. All candidates who want to take up the arrear examinations scheduled in Phase II should have **to necessarily join the Google classroom pertaining to that subject with their pec email ids.**

B. JOINING GOOGLE CLASSROOM

6. The candidates who take up these arrear exams should join the **Google classroom** created for his/her subject immediately after the receipt of invite, sent by the faculty with **their pec email ids** only. **If there are any issues with pec email ids, it should be immediately resolved with PEC webmaster (mail.admin@pec.edu) on or before 13th November 2020 positively.**
7. Further, the **candidates of arrears examinations are also directed to update their current mobile numbers in the IIS database, by sending a request to iicoffice@pec.edu**
8. As the online examinations will be conducted through **Google Classroom platform**, candidates will download the question paper exactly at the time of commencement of the examination.
9. The duration of examination is 3 hours. There will not be any change in the question paper pattern.

C. ANSWER SCRIPTS SUBMISSION

10. Candidates should write the examination using **black ink** in **A4 size** papers with sufficient margin on all four sides to facilitate perfect scanning.
11. To ensure readability, write the answers very clearly with enough spacing.
12. After completing the examination, the answer scripts should be scanned and uploaded as a single pdf file within 15 minutes from the completion time of the examination through Google Classroom platform only.

13. **Submissions either beyond the above prescribed time limit or through any other mode (like email, whatsapp, post/courier etc.) will not be entertained**
14. **The scanned answer scripts should be sent as a single .pdf file** (not in many .pdf files) only (with the pages serially arranged) and uploaded in the Google Classroom for the convenience of managing the answer scripts by the evaluator in an error-free manner.
15. The file name for the manuscript submitted will be Reg. No_Sub Code.pdf. For example, if a student with Register Number (Reg. No. 17CS035) submitting the answer scripts for subject with subject code: CS126 / Artificial intelligence) should give **File name as: 17CS035_CS126.pdf.**
16. All candidates are directed to read the instructions thoroughly. As the exams are to be conducted in online mode, **candidates are instructed to make necessary arrangements for the gadgets like laptop/desktop, etc. and ensure the Internet connectivity** during scheduled dates and time slots of earmarked examination period.
17. The first page should contain the following particulars and the candidates should start answering from the second page only:
 - Course:*
