

PREAMBLE

1. Pondicherry Engineering College is an institution promoted and fully funded by the Government of Pondicherry and it was started in the academic year **1985-86** under the seventh plan. It is an autonomous institution for the purposes of Administration, Development, Staff Recruitment and Procurement of Equipment. It is administered by Board of Governors with the Chief Secretary to the Government of Pondicherry as its Chairman.

Initially, the college offered only Under Graduate programmes (B.Tech.) in four branches viz., Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering and Computer Science and Engineering, with an intake of 30 in each branch. The college, at the time of starting was affiliated to the University of Madras. From the second batch of students onwards, all the programmes have been affiliated to the Pondicherry University. Over the years, the college has grown from strength to strength, and now the college offers B.Tech programme in eight branches of Engineering (Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Instrumentation Engineering, Chemical Engineering and Information Technology) with an overall intake of 450 students. The college also offers eight Post Graduate programmes (M.Tech) viz., Structural Engineering ,Energy Technology and Electronics and Communication Engineering with an intake of 17 students each, M.Tech in Distributed Computing Systems, M.Tech in Electrical Drives and Controls with an intake of 25 each, M.Tech in Environmental Engineering with an intake of 18, M.Tech Wireless Communication, Information Security, Information Technology, Instrumentation

Engineering and Product Design and Manufacturing with an intake of 18 students in each, MCA with 30 students and M.Sc (Material Science and Technology) with 10 students.

Pondicherry Engineering College is the only college affiliated to Pondicherry University that offers Post Graduate Programmes in Engineering that are run under Choice Based Credit System (CBCS). For these programmes the college itself frames the curriculum / syllabi, conducts examination, arranges for evaluation, and then sends recommendations to the University for the award of degrees. This has given rich experience to the college in the complete planning, management and development of academic programmes.

Admission to the Under Graduate programmes is done through an Entrance Test conducted by Centralized Admission Committee (CENTAC) constituted by the Government of Pondicherry. The students to these programmes are selected based on their performance in both the qualifying Higher Secondary Examination and the Joint Entrance Test conducted by the CENTAC.

The office of the CENTAC is also located in the college premises and the college staff is involved in the organization and conduct of the Entrance Test and admission of students to the Under Graduate Programme.

For the M.Tech., programme, the admission is based on either the GATE score or the Entrance Test conducted by the college separately for each branch. Admission to MCA and MSc (Material Science and Technology) programmes are also regulated through entrance tests. Majority of the initially

started Engineering and Science departments in the college have been recognized by the Pondicherry University for offering M.Phil and Ph.D programmes.

The college, which is located in 220 acres of land, has a built up area of around 64837 sq.m. Each department has its own building with all infrastructural facilities. The college library building is a very spacious one with congenial atmosphere for students to read and refer to materials for higher academic excellence. The administrative block is an imposing building with all amenities. All the entire departments have fully equipped laboratories. The college has 146 highly qualified and experienced faculty members and 53 of them are Ph.D degree holders from reputed institutions. Well qualified and trained Workshop Superintendent, Foremen, Programmers, Instructors, Mechanics and Laboratory Attenders man the laboratories, Central Workshop and Computer Centre. There are 86 technical supporting staff and 236 non-teaching staff working in various departments and sections.

The curriculum and syllabi of all the programmes are revised at regular intervals to keep pace with the latest developments in the respective areas of specialization and they are vetted by the practicing professionals from reputed industries in and around Pondicherry.

2. OUR VISION

To foster prosperity through technology by means of education, innovation and collaborative research and emerge as a world-class technical institution.

3. OUR MISSION

- To create and disseminate knowledge for the betterment of mankind in general and rural masses in particular
- To Impart high quality training to students so as provide human resources appropriate to the local and national needs.
- To establish centres of excellence in collaboration with industries, research laboratories and other agencies to meet the changing needs of society.

From its inception Pondicherry Engineering College has remained the first choice of meritorious students from the Union Territory of Pondicherry and neighbouring states of Tamil Nadu, Andhra Pradesh and Kerala. Students from some of the foreign countries also prefer this college. Because of the excellent training imparted to them, they excel in their curricular and co-curricular activities.

COURSES OF STUDY

4. The College offers the following courses:

(a) B.Tech., course (Eight Semesters) in the following disciplines

- (i) B.Tech., Civil Engineering
- (ii) B.Tech., Mechanical Engineering
- (iii) B.Tech., Electronics & Communication Engineering
- (iv) B.Tech., Computer Science & Engineering
- (v) B.Tech., Electrical & Electronics Engineering
- (vi) B.Tech., Chemical Engineering
- (vii) B.Tech., Electronics & Instrumentation Engineering
- (viii) B.Tech., Information Technology

Lateral entry admission to II Year B.Tech Degree Programme (For Diploma Holders)

(b) M.Tech., Course (Four Semesters) in the following specialization

- (i) M.Tech., Electronics & Communication Engineering
- (ii) M.Tech., Wireless Communication
- (iii) M.Tech., Environmental Engineering
- (iv) M.Tech., Energy Technology
- (v) M.Tech., Distributed Computing Systems

- (vi) M.Tech., Electrical Drives and Controls
- (vii) M.Tech., Structural Engineering
- (viii) M.Tech., Product Design and Manufacturing
- (ix) M.Tech., Information Security
- (x) M.Tech., Information Technology
- (xi) M.Tech., Instrumentation Engineering
- (c) M.C.A (Six Semesters)
- (d) M.C.A (Four semesters) Lateral Entry II Year
- (e) M.Sc., (Four Semester) in Material Science & Technology
- (f) M.P.hil, in Physics (Full Time)
- (g) P.h.D., in Civil, Mechanical, ECE, CSE, EEE, Mathematics,
Physics & Chemistry (Full Time / Part-Time Internal)

INTERACTION WITH OTHER AGENCIES

5. The college maintains a fruitful interaction with industries and the banking sectors. As a result of that, Indian Bank, Canara Bank, Syndicate and Indian Overseas Bank have sponsored annual endowment lectures given by experts in different fields of Engineering. The departments concerned organize these endowment lectures. VSNL has sponsored an annual Panel Discussion Programme in the area of telecommunication.

TRAINING AND PLACEMENT

6. In the academic year 2016-2017, 440 PG & UG students were registered for placement. Among the registered, **233** students of various branches were placed in the leading companies such as TCS, TCS (Digital), Sapient, Renault Nisan, MRF, L&T (Infotech), Tech Manhindra, Mbit, Sony, HCL, etc.

Training Programs

- Training and Placement Cell conducted two Zero credit course (General Communication and General Aptitude) for pre-final year PG & UG students. 80 students from PG and 396 students from UG have participated in the course. Test has been conducted to the PG & UG students and results have been published.
- Five days Aptitude training for current final year UG students by Focus Academy
- Five days Personality Development Program on three phases for pre-final year PG & UG students
- Five days Aptitude training on three phases for pre-final year PG & UG students by Focus Academy
- Aptitude & Communication test conducted by Training & Placement Centre to the present pre-final year students
- Aptitude & Communication test conducted by Training & Placement Centre to the present second year UG students
- Two days Interview skill training program sponsored by RUSA
- **Highest salary package is Rs.10.00 lakhs per annum.**

COLLEGE AREA

7. The college has spared around 21 acres of its land to locate the Information Technology Park, Pondy Technopolis, which is promoted by the Pondicherry Industrial Promotion, Development and Investment Corporation (PIPDIC), in the college campus. This Information Technology Park provides ample opportunities to the students to get first hand knowledge on the latest tools, the market trend and scope and will also provide internet connectivity to the college.

The academic committee of the college has approved creation of Centres of Excellence in the following areas and they would be established in due course. Centre of Excellence in Disaster Management in the Department of Civil Engineering. Centre of Excellence in Non-conventional Energy Centre of Excellence in Information Technology.

INSTITUTIONAL INFORMATION

8. General Information

Name of the Institution along with full address, fax, phone numbers and email.

PONDICHERRY ENGINEERING COLLEGE
*(An Autonomous Institution of Government of Puducherry, affiliated to
Pondicherry University)*
PILLAICHAVADY, PONDICHERRY – 605 014.
Phone: 0413-2655281 to 2655288 / 2655214
Fax : 0413-2655101
e-mail: principal.pec@gmail.com
Website: <http://www.pec.edu>

Type of Institution

A grant-in-aid institution promoted and fully funded by Government of Union Territory of Pondicherry

9. NAME OF CONTACT PERSON, DESIGNATION ALONG WITH FULL ADDRESS, FAX, PHONE NUMBERS (OFFICE & RESIDENCE) AND EMAIL

Dr. P. DANANJAYAN
PRINCIPAL
PONDICHERRY ENGINEERING COLLEGE
PILLAICHAVADY, PONDICHERRY – 605 014.
Phone: 0413-2655214 (O) 2255866 (R)
Fax : 0413-2655101
e-mail: principal_pec@gmail.com/principal@pec.edu
Website: <http://www.pec.edu>

Name of affiliating University with postal address

PONDICHERRY UNIVERSITY
R.V.NAGAR, KALAPET
PONDICHERRY – 605 014.

GOVERNANCE

10. PONDICHERRY ENGINEERING COLLEGE STRIVES TO BE RECOGNIZED AS A WORLD-CLASS TECHNICAL INSTITUTION.

To achieve this, Pondicherry Engineering College is committed to

To impart high quality training to students

Innovative and applied research

Collaboration with industries, research laboratories and other agencies to meet the changing needs of society

11. PONDICHERRY ENGINEERING COLLEGE IS GOVERNED BY A GOVERNING BODY WITH THE FOLLOWING MEMBERS

- | | | |
|----|--|----------|
| 1. | Shri . A. Anbarasu, I.A.S.,
Secretary to Government (Education),
Chief Secretariat,
Puducherry. | Chairman |
| 2. | Dr. V. Candavelou, I.A.S,
Secretary to Govt. (Finance),
Chief Secretariat,
Puducherry. | Member |
| 3. | Shri. G. Theva Neethi Dhas, I.A.S,
Secretary to Lt. Governor,
Raj Nivas,
Puducherry. | Member |

4. The Southern Regional Officer,
All India Council for Technical Education ,
Shastri Bhavan,
26, Haddows Road, Chennai – 600 006. Member
5. Prof. V. Jagadeesh Kumar,
Dean, Academic Courses,
Indian Institute of Technology Madras,
Chennai – 600 036. Member
6. The Director,
Directorate of School Education,
Near Indira Gandhi statue
Puducherry Member
7. Dr. P. Dananjayan,
Professor,
Department of Electronics & Communication Engg.
Pondicherry Engineering College,
Puducherry. Member
8. Dr. S. Subramanian,
Professor,
Department of Chemistry,
Pondicherry Engineering College,
Puducherry. Member
9. The Principal,
Pondicherry Engineering College,
Puducherry. Member
10. Mrs. Mamta Rani Agarwal ,
Joint Secretary,
(UGC) University Grants Commission,
Bahadur Shah Zafar Marg,
New Delhi - 110 002. Member

- | | | |
|-----|---|------------------|
| 11. | Nominee of the Vice Chancellor
Of the University to which the college
Is affected | Member |
| 12. | Thiru. Yasam Lakshmi Narayana Reddy,
Director,
Directorate of Higher & Technical Education,
PIPMATE, Lawspet,
Puducherry. | Member Secretary |

12. AIM

The primary goal of the Institution is to develop a strong integrated curriculum leading to under-graduate and post-graduate degrees in various branches of engineering and to turn out well trained and dedicated young Engineering Citizens.

13. FACILITIES

Ever since its inception, the College has registered speedy progress and it now offers eight undergraduate and **twelve** post-graduate courses, apart from M.Pill and Ph.D, PROGRAMMES. The post-graduate programmes are under the choice based credit system. The college is approved by all India Council for Technical Education (AICTE), New Delhi and affiliated to Pondicherry University. The National Board of Accreditation (NBA) of AICTE has accredited 8 under graduate courses. The various departments has a team of highly qualified, dedicated and motivated faculty and well equipped laboratories with facilities for advanced study and research. A central modern library with over 45000 books, 300 Journals and 30 periodicals is available for the use of staff and students, Pondicherry Engineering College is one of the few

Engineering colleges in the country to which (Indian National Digital Library for Science and Technology) INDEST facility has been extended by MHRD. A centralized workshop with state-of-the-art machinery is also available. The first batch of under – graduate students in various branches left the portals of this institution in June 1989.

The college campus is situated at Pillaichavady about 12 kms from Puducherry Town. It is 150 kms south of Chennai on the shores of the Bay of Bengal. The scenically beautiful campus forms an excellent setting for the pursuit of learning. The campus also boasts of a heterogeneous. Pan-India character, with students infrastructure from various regions of the country.

INFRASTRUCTURE

14. The campus, spread over an area of 210, provides excellent residential facilities for students and staff. A total of about 550 students are accommodated in two gents hostels of UG students, one gents hostel for PG students and one ladies hostel. There are 55 staff quarters for faculty members and 41 staff quarters for the supporting staff in the campus with all the necessary infrastructural facilities required for a comfortable living. Besides these, a well furnished guest houses is available for the accommodation of college guest and parents of hostel students. The college provides transport facilities for day scholars and staff residing in the town by plying 2 college owned buses and 10 chartered private buses. A well equipped dispensary, with a Resident Medical Officer and two staff nurses, is available to look after the medical needs of the staff and students.

A Canara Bank branch is functioning in the Administrative Block of the college provides banking service on the campus. The Canara Bank ATM facility is also available. The campus also housed a canteen, shopping complex & Co-operative stores to cater to the general requirement of the students, hostellers and residents of the college.

Sports

SPORTS AND EXTRA CURRICULAR ACTIVITES

15. The campus provides an excellent sports and recreational facilities for the residents in the form of play fields, gym centers and an open air theatre. The college has an air conditioned auditorium complex which has main hall with a seating capacity of 702 and a seminar hall which can seat 120 persons. The complex with an aesthetic design has all necessary infrastructure and facilities required to hold international seminars and conference. The College provides the students with ample opportunities for their all round personality development by organizing national level sports meet “PECOJEUX” and cultural meet “PECOFES”. To secure placement for the students passing out of this college, a Training and Placement Cell headed by a Professor is involved in conducting campus interviews by reputed industrial establishment. This cell also arranges industrial training for students during summer vacation. A Counseling and Career Guidance Centre (CCGC) is functioning in the college to provide career guidance as well as personal counseling to students.

FINANCIAL AID AND PRIZES

16. Financial aid in the form of scholarships, stipends, loans and grants are given to deserving students. Meritorious students are awarded prizes and Medals every year during the College Day. The scholarship and awards are usually awarded on the basis of academic and extra-curricular achievements ,financial need and status.

STUDENT'S WELFARE FUNDS

17. The College operates a Student's Welfare Fund with contributions from the college and the students. The Fund shall be utilized for giving financial aid to poor and meritorious students. In case of emergency, when medical or other aid becomes necessary, the students shall be helped from this funds.

ANTI RAGGING SQUAD

18. Anti Ragging Squad is totally prohibited in Pondicherry Engineering College (PEC). ragging in any form, in any place of time is a cognizable offence that will attract severe punishment including summary expulsion from the college/ Institution/ University.

Ragging is a cognizable offence under the law and hence is banned in all its forms in the campus. Violation will invite disciplinary action under Campus Rules and Code of Conduct for students and appropriate Act/ Regulations/ Orders of Pondicherry University/UGC/AICTE and Supreme Court of India.

PUBLIC GRIEVANCES CELL

19. Further, for the benefit of the citizens, a public grievances cell's set up with information and facilitation counter at the office of the Principal, Pondicherry Engineering College, Public relations officials would be happy to provide information and clarification on all working days. Pondicherry Engineering College assures of its best efforts on fulfilling the people's requirement and dedicate itself in the services to the public in a time bound manner.

IMPLEMENTATION OF AUTONOMOUS PROCESS

20. The Governing Body approved the implementation of autonomous status from the academic year 2014-15.

02. Pondicherry Engineering College had applied for Autonomous status to the University Grants Commission (UGC) through Pondicherry University during February 2012 after getting approval from the Government of UT of Puducherry (G.O.Ms.No.9 dated 09.02.2012).

03. The UGC had appointed an Expert Committee vide D.O.No.F.2-34/2013 (AC) dated 23.10.2013. The UGC vide F.No.3-1/2014 AC (UGC-SERO/US) dated March 2014 informed the visit of the Expert Committee for conferment of Fresh Autonomous Status to PEC .

04. The Expert Committee visited PEC from 17th April 2014 to 18th April 2014. Based on the recommendations of the Expert Committee the UGC has granted fresh autonomous status to Pondicherry Engineering College under the UGC autonomous colleges scheme for a period of six years w.e.f. the academic year 2014-2015 to 2019-2020.

05. A letter no.F.22-1/2014(AC) dated 19.06.2014 was received from Dr.Manju Singh, Joint Secretary, UGC, New Delhi conferring Fresh Autonomous Status to Pondicherry Engineering College.

06. The UGC has requested Pondicherry University to issue necessary orders to PEC for grant of autonomous status for a period of six year from the academic year 2014-15. In this regard, Pondicherry University has granted autonomous status to PEC for a – period of six years from 2014-15 to 2019-2020

07. Recently the MHRD and UGC have in principle approved to promote the college to a Technical University.

CONSTITUTION OF STATUTORY COMMITTEES

21. The Governing Body resolved to approve the constitution of Statutory Committees as follows based on UGC guidelines:

Academic Council

- a. The Principal (Chairman)
- b. All the Deans
- c. All the Heads of Department of the College
- d. Four teachers of the College representing different categories of teaching staff by rotation on every three years
- e. Not less than four experts from outside the College representing such areas as I Industry, Commerce, Law, Education, Medicine, Engineering, etc. to be nominated by the Governing Body for tenure of three years
- f. Three nominees of the University for tenure of three years
- g. Dean – Academic (Member Secretary)

Board of Studies

- a. Head of the Department Concerned (Chairman)
- b. The entire faculty of the Department
- c. Two experts in the subject from outside the College to be nominated by the Academic Council for tenure of three years
- d. One expert to be nominated by the Vice Chancellor from a panel of six recommended by the College Principal for tenure of three years
- e. One representative from industry/corporate sector/allied area relating to placement for a tenure of three years
- f. One postgraduate meritorious alumnus to be nominated by the Principal for tenure of three years.
- g. One expert from other related branch of study from the College for a tenure of three years.
- h. One faculty member on rotation for a tenure of three years (Member Secretary)

Finance Committee (Autonomy Grants)

- a. The Principal (Chairman)
- b. One person to be nominated by the Governing Body of the College for tenure of three years
- c. One senior most teacher of the College to be nominated on rotation by the Principal for tenure of three years
- d. Dean (Administration) – Member Secretary.

Establishment of Dean Offices

The offices for Deans were established and the responsibilities of various Deans are given below: All Dean posts can be nominated for a tenure of Three years.

i Dean - Academics

- Students Admissions
- Academic Calendar
- Remedial Classes
- Bridge Courses
- Preparation of Timetables
- Registration of Courses
- Board of Studies
- Academic Council Activities
- Students feedback
- Parents feedback
- Employers feedback
- Students Attendance
- Maintaining the students information
- Other Academic related issues

ii Dean - Examinations (Controller of Examinations)

- Internal Assessment
- Examination schedules
- Examiners' Panel and Question Paper setting
- Question paper selection
- Conduct of Examinations
- Paper valuation
- Question paper auditing
- Declaration of Results
- Issue of Mark Sheets
- University Correspondence for the award of Degree

iii Dean - Administration

- Rules and Regulations
- Staff recruitment
- Staff Promotions
- Affiliations to AICTE, UGC, and University
- Interaction with Government
- Norms and Regulations
- Finance Committee
- Accounts Section
- Establishment Section
- Faculty & staff welfare
- Maintaining the faculty and staff information
- Scholarships
- Graduation day, College day
- Stores
- Canteen
- Library

iv. Dean - Students

- Student Council activities
- Club activities
- Training and Placements
- Industrial visits
- Industrial training
- Industry projects
- Hostels and Hostel Day
- Students Discipline
- Sports and Sports Day
- Grievance Cell
- SC & ST Cell
- Counselling Cell
- Alumni Association

v. Dean - Research

- Ph.D. Admissions (QIP)
- Maintaining the Supervisors and Scholars information
- Monitoring the progress of research and remedial actions
- Monitoring DC meetings
- Viva-voce examination
- Forwarding the recommendations to University
- IPR
- Implementation of University Regulations
- Communications to University

vi. Dean - Consultancy and Industry Interaction

- Providing information about projects
- Forwarding the proposals to agencies
- Maintaining the information about sanctioned projects
- Monitoring the progress and conducting the review meetings
- Recruitment of staff sanctioned for the projects
- Submission of project reports
- Memorandums of Understanding (MoUs)
- Maintaining the list of equipment purchased under project grants
- Industry-Institute-Interaction
- Entrepreneur Development Cell
- Incubation centre

vii. Dean - Autonomous and Accreditation

- Coordinating in fixing the PEOs and POs for all programmes
- Monitoring the Evaluation of Programme Outcomes
- Maintaining the institute information
- Monitoring the Mapping between PEOs and POs
- Conducting the meeting for tuning the PEOs
- Monitoring the POs through evaluation committee meetings
- Submission of reports
- Preparing the institute for Expert visits

TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME (TEQIP-II)

22. As an outcome of the initiatives taken up by the Government of Puducherry, MHRD, Government of India has selected Pondicherry Engineering College for the implementation of TEQIP – II Project. In continuation of this selection, a grant-in aid of Rs.**5.00 Crores** (being provided by Government of India and Government of Puducherry in the ratio 75:25) has been provided to Pondicherry Engineering College as the first and second installment (**2 Crore and 3 Crore respectively**) out of the total grant of Rs.**10.00 Crores** earmarked by MHRD for the college under this project.

2. The National Project Implementation Unit (NPIU), the unit for overseeing the implementation of the TEQIP Project under the auspices of MHRD, has issued guidelines for spending the grant to different activities. It is noted that procurement of goods (devices, machineries, equipment, books, and other learning materials) besides refurbishment and repair works of class rooms, laboratories, workshops etc. is one of the activities to be undertaken under the project.

3. Procurement of goods and refurbishment of selected class rooms and administrative office with 91 packages was initiated in the second phase of procurement plan.

4. Quotations were invited in accordance with the guidelines given by MHRD and comparison of quotations for respective items (67 successful packages out of 91 packages initiated) was made item-wise by departments concerned with the items to be procured. Selection of items has also been made with due justification in conformity with specification, quality and quoted price for respective items. It is informed that the total cost of procurement was about Rs.**3.78 Crore** (rounded off).

TEQIP PHASE III

Pondicherry Engineering College (PEC) has been shortlisted from UT of Puducherry to participate as Mentor Institute under Sub Component 1.3 of TEQIP-III by NPIU and MHRD.

GENERAL

23. a. WOMEN CELL

World is changing rapidly, so are women. With changing times, a women role has evolved and continues to evolve. Education, awareness and knowledge have largely been responsible for it. The women's development cell of Pondicherry Engineering College undertakes a variety of activities to promote Women's empowerment and awareness. The women cell is running in our college since 2014, It organize seminars, health check ups, and orientation of student, teachers and non-teaching staff for their active and sustained participation in the activities of cell.

- It helps them in knowing the importance of good health and nutrition and facilitates available for them
- It moulds the potential women force in the campus to active thriving mile stones of success.
- It helps them to enhance self esteem and to attain emotional, physical and mental freedom to withstand changing phase of their life.

b. INCUBATOR AND ENTREPRENEURSHIP DEVELOPMENT CELL

The incubator and Entrepreneurship Development Cell of Pondicherry Engineering College was initiated to provide a platform to assist and enable young entrepreneurs to initiate technology startup companies for commercial exploitation to technologies developed by them. The IEDC of Pondicherry Engineering College also enable the budding entrepreneurs to showcase and test their abilities to run a start up business. The cell proves a range of resources that enables it to. Empower students, faculty and staff to pursue entrepreneurial achievements that improve people's lives drive the economy and help innovation bridge the gap between inventor and venture capitalist. Connect current students with Engineering alumni who work in the start-up community. Provide grants for students to pursue their own ideas for companies and products. Support, simplify and clarify student intellectual property transfer processes for students and the broader community. Development and maintain an entrepreneurship certificate program so that engineering students can take courses innovation and business from experts in entrepreneurial community.

Entrepreneurship and innovation are critical for the growth of any economy, in an increasingly competitive world. They become even more critical for India as its demographic dividend can only be realized with rapid creation of employment and income generation opportunities. Global experience shows that, apart from creating wealth and boosting the economy, new business also create disproportionately more jobs than established ones.

Activities of the Cell

- To arrange series of entrepreneurship development programs and interactive sessions to promote Entrepreneurship in the institute.

- To arrange skill development sessions in a Entrepreneurship for the building Entrepreneurs to increase their confidence level.
- To arrange webinars and online training sessions for students to get used to the technical's of Entrepreneurship.
- To facilities the student teams to showcase their business ideas to funding agencies .
- To facilitate seed funding for the young Entrepreneurs to test their business ideas with minimal risks
- To help the first generation Entrepreneurs in the registration process of the firm, marketing, accounting and taxation processes.
- To help the successful Entrepreneurs to sale up their business.
- To inculcate the culture of apply what you learn and earn while you learn in the campus.

c. INTERNAL QUALITY ASSURANCE CELL

In pursuance of the UGC 12th Plan guidelines for Established & Monitoring of the IQACs in College for performance evaluation, assessment and accreditation and quality up-gradation of institution of higher education, the NAAC proposes that every accredited institution establish an Internal Quality Assurance Cell (IQAC). Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance fo institution. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the college and aims to make significant and meaningful contribution in this direction.

d. NATIONAL PROGRAMME ENHANCED LEARNING

National Programme on Technology Enhanced Learning local chapter was established in Pondicherry Engineering College on 23rd November 2015 which was another milestone in the history of Pondicherry Engineering College. NPTEL has a largest repository of courses in Engineering, Science and Humanities from India's best institutes.

The National Programme on Technology Enhanced Learning (NPTEL) was initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Roorkee, Guwahati and Madras) along with Indian Institute of Science, Bangalore. It is a programme under the Ministry of Human Resources Development, Govt. of India, initiated in 2003 for the creation of web and video courses in various disciplines of engineering, basic sciences, management and humanities. Currently more than 940 + courses are available on the web portal <http://nptel.ac.in> for viewing and download at no cost.

NPTEL has initiated open online courses with certification for full semester (40 hr- 12 week) courses and for courses offered on the model of Moocs (20 hr – 8 weeks) and (10 hr – 4 weeks) on its online courses portal <http://onlinecourses.nptel.ac.in>. The enrollment to the courses is free and the learning involves no cost while the certification exam involves an exam fee. The objective of enabling students to obtain certificates from courses is to make

students employable in the industry or pursue a suitable higher education programme.

Through the Single Point of Contact Coordinator (SPOC-NPTEL) and twelve Faculty coordinators from various departments students were encouraged to join the certification courses. Total 338 students registered for 20 hour course and 27 students registered for 40 hour course. The Students were also guided by NPTEL mentors in their respective departments. The 20 hr course was successfully completed by the student which was of 8 weeks of duration and the certification examination was taken on 27th March 2016. The 40 hr Examination is scheduled on 24th April 2016.

e. GRIEVENCE REDRESSAL CELL

In order to comply with the AICTE Regulations for addressing students' grievances, a "**Grievance Redressal Cell**" has been constituted in Pondicherry Engineering College with the following objectives

1. To provide a support system for the students to express their grievances.
2. To initiate proactive measures to redress the grievances of the students.
3. To examine and scrutinize the complaints and representations of aggrieved students and to take up these matters with the appropriate authorities for redressal.

The Grievance Redressal Cell comprising of the following faculty at different positions will enquire the nature and the extent of the grievances and suggest the final action to be initiated at the institutional level for the redressal of the same. Any student may approach the following Committee Members if they have any grievance and the Committee will take up necessary action.

Sl.No	Name of the Faculty	Designation	Position	Email & Mobile no.
1.	Dr.Gnanou Florence Sudha	Professor, ECE	Convenor	gfsudha@pec.edu 9944337963
2.	Dr. P.Revathy	Assistant Professor, Civil Engg	Member	revathi@pec.edu 9944427159

APPELLATE COMMITTEE FOR GRIEVANCE REDRESSAL CELL

Sl.No	Name of the Faculty	Designation	Position	Email & Mobile no.
1.	Dr. P. Dananjayan	Principal	Chairman	principal@pec.edu
2.	Dr. K. Vivekanandan	Professor, CSE	Dean(Students)	k.vivekanandan@pec.edu 944377795
3.	Dr.G.Zayaraz	Professor, CSE	Associate Dean (Students)	gazaraz@pec.edu 9443958140
4.	Dr. G.Vijayakumar	Professor, Civil	Associate Dean (Students)	gvk@pec.edu 9894210966

Students with **genuine grievances** should submit the same in written to the Department Grievance Cell Committee member or to the Convenor or email it to **grievancecell@pec.edu**

The Convenor in consultation with the Dean (Students) will compile a report and submit it to the Principal. The Committee will meet with information to the complainant on their day of convenience. The aggrieved Student may appear in person to present his/her case. Based on the decisions of the committee, necessary steps would be taken for redressal.

In case of any false/frivolous Complaint, the Principal may order **appropriate action against the Complainant.**

g. INNOVATION CLUB

Innovation club in association with the Counselling and Career Guidance Cell organised a Workshop on “Innovation Strategy” on 20th February 2017. Mr.Haja Mohideen, Founder of Rocheston , New york USA conducted the workshop for third and final year B.Tech Students of PEC.

Innovation club was initiative in selecting students of PEC for the Smart India Hackathon 2017 program where 10000 engineering college students all over India participated and presented innovative solution for social problems in the form of mobile/computer applications and software programmes. The issues included geo-fencing of airports, online toll collection, smart/intelligent traffic management, cyber attacks, real-time monitoring of teachers' attendance and of cyber-attacks, smart drones to make airspace safer and title recognition system for marine animals.

h. COUNSELLING AND CAREER GUIDANCE CELL

In addition to the regular Counselling activities, CCGC organized a three day Orientation programme for the B.Tech regular first year students. A motivational lecture was arranged for the Lateral Entry student of second year. Sessions on ‘Coping with Adolescence’ were organized for all the first year B.Tech students. A series of Career Guidance programmes for 2nd, 3rd and final year B.Tech students was arranged in association with Le Banyan. Talks on ‘Higher studies and employment in the US’, ‘Preparing for Civil Services’ and ‘How to become an Entrepreneur’ were given by PEC alumni.

i. GENDER CHAMPIONS CLUB

The GCC was formed in PEC with 25 students from all the departments and all years. The club organized a banner / poster competition to create awareness and sensitize students on gender equality.

j. QEEE - PEC ON MHRD'S NATIONAL ACADEMIC GRID

PEC is **the only college** in this region to participate in **Quality Enhancement in Engineering Education (QEEE)**, an interactive and virtual classroom piloted by **IIT Madras** since 2014. About 150 TEQIP and Non-TEQIP institutions in different parts of the nation subscribe to the live class teaching by eminent professors of IITs.

Prof. Ashok Jhunjunwala, the mentor of this programme has highly commended our institution for the active participation in all the phases and PEC has been recognized as '**PARTNER INSTITUTE**' which is the top most ranking given to the participating institutes.

During the Phase-VI held in the odd semester about 700 students registered for various live classes, out of which 30% of them received **Certificate of Excellence** and 60% received **Certificate of Participation**. This achievement is made possible by the sincere commitment shown by the local faculty moderators of our college.

In this Phase-VII, students belonging to CSE, ME, ECE, EIE, EEE, IT and Civil Engg. benefitted by participating in the live classes. For the first time in QEEE experience, the first year B.Tech. students have been inducted to attend a course on 'C Programming – Pointers'.

Under the aegis of the **TEQIP** funding, the college could facilitate provisioning of virtual class environments with the required infrastructure in every department of this college. Creation of such independent classroom facilities enabled the QEEE team this year to conduct **parallel sessions** at a time for the students on different topics.

Apart from participation in QEEE live classes, the students have also participated in **CII** sponsored **INDUSTRY BRIDGE** programmes lively and interacted with speakers from industries.

About 50 students belonging to various departments also attended **Vernacular Spoken Tutorial: Java Programming in Tamil** organized by QEEE in association with **GUVI-** IIT-M's Rural Technology and Business Incubator's incubated company.

k. INSTITUTE INFORMATION SYSTEM

VISION

- To be a secure electronic repository of the data that is generated day today in the organization
- Disseminate quality information to all the stake holders 24 X 7 at any corner of the world through a single access point
- Minimize the cost of developing, augmenting and maintaining the system

MISSION

- Every data that reaches the system will be viewed as a record of piece of history of the institution and due reverence will be given to store it for eternity
- In house talents will be used to develop, augment and maintain the Information System
- Open source software will be used for the development, augmentation and maintenance of the Information System
- Continuously look for technologies that can deliver better performances and adopt them
- Put in place effective control systems that prevent incorrect data entering the Information System
- Effective security policies and systems will be installed to ensure the security of the system

2017	November	13-November-2017	13-November-2017	Electronics and Instrumentation Engineering	Inauguration	<p>AICTE-QIP Sponsored One Week Short Term Course on "5G mmWave Radio Transmission for Ultra-High Speed Wireless Technologies" was inaugurated on Monday, the 13th November, 2017. Dr. M. Tamilarasi, Prof. & Head, ECE welcomed the participants. Dr. G. Vijayalakshmi, one of the Coordinators of the STC introduced the profile of the Chief Guest and briefed about the contents of the course. Dr. P. Dananjayan, the Principal delivered presidential address. Dr. ABHISHEK KUMAR GUPTA, Asst. Professor, Dept. of EE, IIT Kanpur delivered inaugural and keynote address. Dr. S. Tamilselvan, Coordinator of the STC proposed vote of thanks. 45 participants from various states of the country attend the short term course.</p>
2017	November	06-November-2017	06-November-2017	Electronics and Communication Engineering	Inauguration	<p>AICTE-QIP Sponsored Short Term Course on Internet of Everything (IoE) was inaugurated on Monday, the 6th November, 2017 by Dr. N. SHANMUGAVEL, Principal, National</p>

						Engineering College, Kovilpatti. Dr. P. Dananjayan, the Principal presided over the function. Dr. M. Tamilarasi, Prof. & Head, ECE welcomed the gathering and Dr. S. Himavathi, Dean(Research) and QIP Institute Coordinator delivered felicitation address. Dr. R. Gunasundari, Professor, ECE introduced the profile of the Chief Guest and Dr. K. Jayanthi, Professor, ECE proposed vote of thanks. This five-days course is attended by faculty from all over India.
2017	November	01-November-2017	01-November-2017	Pondicherry Engineering College	State Event	The Principal hoisted national flag in the presence of faculty, staff and students on the occasion of PUDUCHERRY LIBERATION DAY on 1st November, 2017 in front of the Administrative Block.
2017	October	25-October-2017	25-October-2017	Women's Cell	Competition	A competition based on the seminar on Women's Legal Rights and Empowerment was held on 25th October, 2017 and 53 students, both from the UG and PG courses actively participated. S. Gomathi, II B.Tech (EEE) won the first prize (Rs. 2,000/-). V.Buela Jenifer of II B.Tech (Chem) won

						<p>the second prize (Rs. 1,500/-) S.Vignesh of I B.Tech (ECE), Anishya Premi of II B.Tech (Chem), Raman Kishore of I B.Tech (ECE), Aishwarya.S.K. of I B.Tech (Chem) and S.Pavithra of Final Year B.Tech (EEE) won the third prize. (Rs. 1,000/-). Yasmin of II B.Tech (Chem) and M.Janani of II B.Tech (Chem) won the consolation prizes. The seminar and the competition was coordinated by Dr.S.Kanmani, (Advisor, Women's Cell), Dr.R.Kalpana (Convenor, Women's Cell), Dr.K.Guejatlachoumy and Dr.R.Rajathy with the support of the members of the Women's Cell.</p>
2017	October	23-October-2017	23-October-2017	Women's Cell	Seminar	<p>A National Commission for Women (NCW) sponsored Seminar on Women's Legal Rights and Empowerment was held on 23rd October, 2017. Dr. K.Latchoumy, Director-cum-Law Officer, Women's Commission, Puducherry delivered the seminar on various articles, laws and acts related to Women's Legal rights. Many Students and staff of various departments and sections of PEC participated in the seminar. The Principal Prof. P.</p>

						Dananjayan, Prof. Dr. S. Subramanian, Dean(Admin) and Dr. K. Vivekanandan, Prof. & Dean (Students) addressed the gathering.
2017	October	12-October-2017	12-October-2017	Women's Cell	Camp	Eye Screening Camp: Women's Cell, PEC in association with Jothi Eye Care Center, Puducherry organised a one day Eye screening camp on 12.10.2017 at Dispensary, PEC under RUSA grant. Dr. Vanaja Vaithianadhan, Managing Director, Jothi Eye Care centre, Dr. S. Subramanian, Principa(i/c) and Dr. K. Vivekanandan Dean(Students) inagurated and felicitated the gathering. The arrangements were made by Dr.Kavitha Kumar and the members of women's cell.The vision test was performed by ophthalmic assistants. Eye screening tests and diagnosis were performed for 402 students and women staff members.
2017	October	04-October-2017	04-October-2017	Pondicherry Engineering College	Workshop	A Two days National Workshop on R and Data Mining sponsored AICTE was inaugurated by Dr. R. VENKATESHKUMAR,

						DMS Pondicherry University on Wednesday the 4th October, 2017. Faculty and students of PEC and other institutes from Tamilnadu and Puduchery attended the workshop.
2017	October	04-October-2017	05-October-2017	Electrical and Electronics Engineering	Seminar	A National level AICTE sponsored seminar on Smart Grids and green systems was conducted by the Department of Electrical and Electronics Engineering on 5th, 6th October 2017. The seminar was inaugurated by Er. J. Antony Vivekanand, Assistant Engineer, Reforms Project Management cell, Electricity Department, Puducherry. Dr.P. Dananjayan, Principal presided over the function. Dr.K.Manivannan felicitated the function. Professor Dr. C. Christober Asir Rajan and Professor Dr. K. Rajambal coordinated the Seminar.
2017	September	28-September-2017	28-September-2017	Administration	Staff Retirement	Felicitations to staff on retirement: The Principal, Deans, and staff members bid farewell to MR. S. HARIHARAN, Assistant who got retired from his services on attaining age of superannuation. In a

						function held on Thursday, the 28th September 2017 at the Centre for Continuing Education, Mr. Hariharan was honoured with shawl and memento by the Principal and his colleagues. Mr. Hariharan has put in service at PEC for about 30 years
2017	September	26-September-2017	27-September-2017	Pondicherry Engineering College	Competition	PECOFES 2K17
2017	September	22-September-2017	22-September-2017	Electronics and Communication Engineering	Award Function	ABA'17: The Above and beyond awards presentation function was held on Friday, 22nd September, 2017 at 10 a.m. in Seminar hall, Chemical Engineering Department. The Chief Guest of the function (proud alumnus of ECE, PEC) MR. ARUMUGAM VELAYOUDAME, Director (Engg) QuallCom India Pvt. Ltd. presented the ABA awards to the students FRANKLINE MARIE and SONIA (3rd year B.Tech. ECE) and deliver presidential address. The function was organized by the Students' Council of ECE department.
2017	September	22-September-2017	22-September-2017	Alumni	Scholarship Distribution	Student Scholarships: M/s. Aspire Systems Pvt. Ltd. in association with the

						PEC Alumni Batch of 1992 sponsored full fee reimbursement for poor and meritorious students of PEC. Dr. P. Dananjayan, the Principal distributed cheques of value Rs. 13,620/- each to the six students who have been selected by the PEC Alumni Association based on their academic performance and family income. Dhillip and Anandhakrishnan of B.Tech. ME, Chauvelin Marie Delcasse and Subash of B.Tech. IT, Balamurugan of CE and Aswini of CSE received the cheques from the Principal.
2017	September	16-September-2017	17-September-2017	Training and Placement Centre	Examination	Resume Interviews for 320 students conducted by alumni
2017	September	15-September-2017	15-September-2017	Chemical Engineering	Student Council Inauguration	The inaugural function of the Student's Council of Chemical Engineering department was held on 15th September 2017 in the Seminar Hall of EEE Department. Mr. P. JAYAKANTHAN, Production Head, Asian Paints Limited, Cuddalore was the chief guest of the inaugural function and delivered a lecture on the title, "Expectations of Process Industry from Graduate Chemical

						Engineers". The function was presided over by Dr. K. Vivekanandan, Prof. & Dean (Students), PEC.
2017	September	12-September-2017	12-September-2017	Pondicherry Engineering College	Certificate Distribution	NSDC Certificates Distribution Ceremony: Pondicherry Engineering College has conducted three courses namely, Set Top box installation and service technician, Junior Mechanic (Engine) and Customer Service Executive under PMKVY-TI Scheme of AICTE, New Delhi. On Tuesday, 12th September 2017 certification distribution function was arranged for candidates qualified by National Skill Development Corporation. The Principal Prof. Dr. P. Dananjayan addressed the gathering and presented certificates to the qualified candidates. Prof. Dr. K. Mahadevan, HOD(Mech) and Prof. Dr. M. Sugumaran, HOD(CSE), faculty coordinators and Staff members of the PMKVY-TI courses graced the function by their valuable presence. The programme was organised by Prof. Dr. K. Vivekanandan, Dean(Students) and

						Prof. Dr. R. Kalpana.
2017	September	04-September-2017	04-September-2017	NPTEL	Certificate Distribution	Pondicherry Engineering College has been rated AAA for the second consecutive time and is one of the top 10 NPTEL Local Chapters for January to April 2017. As per ranking it is in 6th position among 1010 colleges all over INDIA. Dr. P. Dananjayan, the Principal honored the local faculty moderators by presenting them Certificate of Appreciation on 4th September, 2017
2017	September	01-September-2017	01-September-2017	Information Technology	National Conference	ICMR Sponsored National Conference on ICT Solutions for Challenges and Issues in e-Health(NCICTEH'17) was inaugurated by Prof. M. RAVISHANKAR, Dean, Mahatma Gandhi Medical College and Research Institute, Puducherry on Friday, the 1st September, 2017. He delivered a keynote address on "Issues and Challenges in e-Health". About 75 participants from different parts of the country attended and presented their research papers. This conference was organized by the Department of Information

						Technology, PEC.
2017	August	30-August-2017	30-August-2017	Computer Science and Engineering	Workshop	ISRO Sponsored Workshop on IoT Technologies and Big Data Analytics for Telemedicine Applications was inaugurated by Prof. Dr. RAVIKUMAR CHITTORIA, HoD, Dept. of Plastic Surgery, Nodal Officer Telemedicine, JIPMER on Wednesday, the 30th August, 2017 at the Centre for Continuing Education, PEC. The workshop is organized by the Department of Computer Science & Engineering.
2017	August	28-August-2017	28-August-2017	Health, Hygiene and Environment Club	Inauguration	The Inauguration of Health, Hygiene & Environment Club (H2EC) activities for the academic year 2017-18 was held on 28.08.2017 at Multipurpose Hall, Auditorium, PEC. Prof. S. MURUGAIYAN, President, World Community Service Centre (WCSC), Puducherry zone inaugurated the club and delivered keynote address on "Yoga and Empowerment". Dr. P. DANANJAYAN, the Principal presided over the function. Dr. M. EZHILARASAN, Convenor, H2EC welcomed the gathering. More

						than 100 students from various branches of UG, PG and Research Scholars have attended the function along with their respective Department Faculty Coordinators.
2017	August	23-August-2017	23-August-2017	Pondicherry Engineering College	Inauguration	The 33rd Batch of B.Tech. course was inaugurated on Wednesday, the 23rd August, 2017. Dr. P. Dananjayan, the Principal presided over the inaugural ceremony and delivered presidential address. Dr. K. Vivekanandan, Professor and Dean (Students) delivered welcome address. The ceremony was held at the PEC Auditorium. A large number of freshers attended the programme with their parents. The Deans and the Heads of the Departments joined the Principal in extending a warm welcome to the engineers of 2021.
2017	August	21-August-2017	21-August-2017	Electrical and Electronics Engineering	Department Event	EEE Student Council Inauguration
2017	August	15-August-2017	15-August-2017	Pondicherry Engineering College	National Event	71st Independence Day: The national flag was hoisted by Dr. S. Subramanian, Principal i/c and the Dean (Admn) and he delivered

						independence day speech to the staff gathered in the PEC campus on Tuesday, the 15th August, 2017.
2017	August	10-August-2017	-August-2017	Civil Engineering	Department Event	IE(I)-PEC-Students' Chapter-Civil Engineering
2017	August	03-August-2017	03-August-2017	Computer Science and Engineering	Award Function	TCS Best Project Award Ceremony: Inauguration of Students' Council of CSE department (the Hub) and TCS Best Project Award ceremony are scheduled to be held at 10 a.m. at the Seminar Hall, Chemical Engineering Block. Shri. NATARAJAN SWAMINATHAN, Sr. Consultant, TCS, Chennai will inaugurate the Hub and present Best Project Award to the B.Tech. students, U.VIJAYGANESH, K. HAYANESH, VARUN ARAVIND and V.P. ASHISH for their final year project titled, "ABSTRACTIVE SUMMARIZATION OF PRODUCTS ASPECTS THROUGH ATTENTIVE RECURRENT NEURAL NETWORKS AND PRODUCT QUALITY EVALUATION" under the guidance of Dr. S. Lakshmana Pandian, Associate Professor, CSE.
2017	July	29-July-2017	29-July-2017	Pondicherry	Alumni	20th year Reunion: The students of 1993-

				Engineering College	Reunion	1997 batch visited PEC on 29th July, 2017 on the occasion of their 20th Reunion celebrations. Dr. G. Zayaraz, Professor and Coordinator, PEC Alumni Association welcomed the alumni. Dr. P. Dananjayan, the Principal and Dr. K. Vivekanandan, Dean (Students) graced the occasion. About 75 alumni studied in various engineering disciplines at PEC gathered at the Administrative block to cherish their memories of their college days.
2017	July	29-July-2017	29-July-2017	Pondicherry Engineering College	Alumni Reunion	20th year Reunion: The students of 1993-1997 batch visited PEC on 29th July, 2017 on the occasion of their 20th Reunion celebrations. Dr. G. Zayaraz, Professor and Coordinator, PEC Alumni Association welcomed the alumni. Dr. P. Dananjayan, the Principal and Dr. K. Vivekanandan, Dean (Students) graced the occasion. About 75 alumni studied in various engineering disciplines at PEC gathered at the Administrative block to cherish their memories of their college days.

2017	July	28-July-2017	28-July-2017	Training and Placement Centre	Recruitment	MBit Wireless Tests
2017	July	27-July-2017	27-July-2017	Electronics and Communication Engineering	Department Event	The Students' Council of Electronics & Communication Engineering was inaugurated on 27th July, 2017 at the PEC Auditorium. The council was inaugurated by Dr. Karthik Subbian, a proud Alumnus of ECE, PEC presently working as Research Scientist at Facebook Research, USA. Dr. P. Dananjayan, the Principal presided over the function. Dr. M. Tamilarasi, Prof. & Head, ECE welcomed the gathering and Dr. V. Saminadan, Professor, ECE introduced the Chief Guest to the audience. The function was attended by the faculty and students of ECE department.
2017	July	21-July-2017	21-July-2017	IPR and Patenting Cell	Invited Lecture	The IPR and Patenting Cell organized a special invited lecture on "Filing Procedures of Patents in India" by Mr. T. V. Madhusudhan, Dy. Controller of Patents and Design, Chennai on 21.7.2017 at Centre for Continuing Education Seminar Hall. A large number of faculty and Ph.D scholars were benefited by

						attending the talk.
2017	July	21-July-2017	21-July-2017	Electronics and Instrumentation Engineering	Department Event	Inauguration of EIE students council was held on 21st July 2017. Er. K. Kanagasabai, (Alumnus, First batch of EIE, 2002) currently working as Assistant Engineer, Yokohama Middle East & Africa, Bahrain delivered the inaugural address and released the Dept E-magazine Instrumenteers 2k17. He delivered an interactive lecture on "Scope of Instrumentation in India and Abroad". He enlightened the students, about job opportunities and the different segments of Instrumentation and how freshers can cope up with the current trends.
